Team Players

1. A team must have four players to start a game. If a team does not have four players at game time:
 - The game clock will start and one point per minute will be awarded to the opposing team up to the time the official calls a forfeit at the 10-minute mark.
 - If and when the team's fourth player arrives and is on the court ready to play, the game clock will stop and jump ball will start the game with the time remaining in the first half.
 - A team may not call a time out during this 10-minute period.
 - Every player must play in at least one league game each round in order to be eligible for playoffs.

Game Format

1. Game time is as scheduled.
2. The official time and score shall be maintained by the timer/scorekeeper.
3. Managers are responsible for giving the scorekeeper their lineup and advising them of any changes.
4. All players requesting a substitution must first report verbally to the scorer's table with sufficient time before the next dead ball.
5. The substituted player must remain at the table until the time of substitution. The player who is being substituted out must exit near the scorer's table.

7. Half time will be two minutes.
8. The game clock will run continuously except for time outs, or during the last two minutes of the game under the following conditions:
 - If the score difference is more than 10 points the clock will run continuously.
 - If the score difference is 10 points or less, the clock will become regulation (stop clock).
 - The clock will become regulation (stop clock) at any time during the final two minutes of the game as long as the score difference is 10 points or less.
 - If at any time during the last two minutes of the game the score difference becomes more than 10 points, the clock will run continuously.
 - After a time-out is called, the clock will not restart until a player in bound touches the ball.

Technical Fouls/Ejections
